

DECLARATION OF INDEPENDENTS

WE ARE CURRUS,

We stand with the independent pharmacists of Kansas – bastions of the American dream, keepers of the oath they swore, and guided by the ideal which led us all here. Integrity is our anchor and reliable service is our devotion. We will honor community above all and vow to remain independent, together. Endowed by an unbreakable spirit, we will remain steadfast in our commitment to those who trust us with their professional well-being.

As new challenges arise within our industry, we will forge ahead with confidence in our membership and embrace change together. With decades of experience, we will continue to serve with pride, ensuring the sustained autonomy and future success of our pharmacists. We are all unified by a common goal: healthy communities and healthy pharmacies.

WE ARE PROUD TO DECLARE OUR INDEPENDENTS!
