

EOG Scholarship Essay Questions: *Helping Pharmacy Students Pursue Careers in Independent Pharmacy*

First Time Applicants

Thank you for your interest in the scholarship established by the Entrepreneurial Opportunities Group (EOG). We have your application on file indicating you are pursuing a May 2019 scholarship award.

*One of the required components of the EOG Scholarship application process is the completion of essays concerning interest in independent pharmacy and future career plans. The essay questions are:

- Describe the ideal work setting for you in five years. How do you plan to be there at that time?
- Describe your past and present involvement in the NCPA Student Chapter at the University of Kansas. Include events/activities (for example, community service projects, volunteer work at pharmacies, attendance at professional meetings) in which you have been involved. Present in chronological order.

Your responses to both questions (combined) should be no more than three pages, double-spaced and should have your name on each page. Handwritten responses will not be accepted. *All responses must be submitted online through this website, by email, or by mail to Currus at: EOG, 3512 SW Fairlawn Rd, Ste 300, Topeka KS 66614, no later than **March 31, 2019.***

Interviews of applicants who meet or exceed the point requirement needed to qualify for the scholarship and who have been submitted the essays by March 31, 2019, are expected to take place sometime between the last week of April and the first two weeks of May 2019. A representative of the EOG will be contacting applicants a few weeks prior to that time period to set a specific date and time for the interview.

Thank you again for your interest in the EOG Scholarship. We look forward to receiving your essay.
